

BRITISH CYCLING MASTERS NATIONAL TRACK CHAMPIONSHIPS 2017

The Championships will be run according to BC Technical Regulations.

Championships will be run in 5 year age bands. Where insufficient numbers enter in a particular age band then age bands will be amalgamated to achieve the required numbers for a championship.

For endurance races where there are only a small number of riders in a particular age band, championships may be run concurrently, with medals & jerseys awarded to the different age groups accordingly.

On a rider's first day of competition, he or she must hand in their licence and sign for their number. *They must also sign on for the event* that they will be competing in during that session. On every day that they race they must sign on for the appropriate event(s).

4 entries:	2 Medals and Jersey
3 entries:	1 Medal and Jersey

SPRINT

Distance: 3 laps

Format: All entrants will ride a 200m TT for seeding purposes only.

All entrants will proceed to the first round.

The exact formula is dependent upon the number of riders signed on and will be announced on the day.

The general rule will be for 2 up matches, but may be 3 up to achieve a workable race formula.

TIME TRIAL

Distance:	Women, all ages:	500m
	Men, A & B:	1000m
	Men, C & D:	750m

Heats will normally be 2 up, with one rider starting in the Finish Straight and the other in the Back Straight.

Riders in each heat will be matched wherever possible but this is not guaranteed.

To aid seeding and matching riders of similar ability riders should include a best time over the distance entered and achieved in the last 3 years.

The Championship result will be decided on time and each rider will have one ride.

Start gates will be used.

In the event of a false start or mishap then no more than 2 starts will be allowed.
