

If you've reached this page then you will know two things:

1. I'm a rubbish website builder.
2. I know how to organise a bike race.

It's the same with my Wills and Lasting Powers of Attorney (LPAs) business: Rubbish website, but I know all about how to help you make a Will, or create an LPA.

If you don't feel comfortable talking to me about these things then email me at: graham@legacysolutions.org.uk and I can put you in touch with someone else who can help you. I'm not precious or touting for business, but I do understand the need for these things to be in place.

We all go out for a ride and look forward to getting home and relaxing after a hard ride. The sad fact is that I've known too many of us who have either not made it home, or have suffered life changing injuries. Hope for the best, prepare for the worst, and enjoy the ride.
