

WELCOME

Welcome to the British Cycling Masters National Track Championships 2022.

Run under the rules and regulations of British Cycling, with National Jerseys and medals to be won, the Championships would be nothing without you, the riders.

Over the years we have built a strong community of Masters riders. Some of whom have never stopped racing since their youth, others have come back after taking time out to take care of family or working life commitments, and some just want to see if they can pin a number on and relive their youth for a couple of days. Of course we also have many relatively newcomers to the sport, who have been tempted into coming to join us. Whatever the reason for being here you are very welcome and we are pleased to see you.

We strive to deliver a Championships which is efficient without being overly officious. You can help us by following the programme and being ready for your races, and being ready for the Medal Ceremonies.

Sadly, due to Covid, old age, or ill health, there are some of our old friends missing, and never to return. No names, but those who know will know and we will remember them with fondness.

Enjoy MNTC. Make the racing keen, the banter good, and be nice to the officials.
