

**British Cycling Masters National Track
Championships**
27th June – 1st July
Newport Velodrome

WORLD BEST PERFORMANCES (Records)

We are pleased to announce that we will be offering riders who set World Masters records* during the Masters National Track Championships this year the opportunity to have their records ratified.

To facilitate this we are covering the daily attendance fees/costs of the UKAD testing personnel but the rider will have to pay for the cost of the anti-doping (urine) test, which will be £528. (NB this is at cost, the MNTC organisation is not making any money from this).

So if you have chosen not to, or cannot afford to attend the World Masters in LA but think you are on form to set a new best time (see below for links to the current best times) you can continue to train safe in the knowledge that you will be able to take advantage of this service to ensure you get the credit you deserve.

The records are here – although we are not allowed to call them *records” the parlance is “Best Performance”
